

SNEHA RAMESH GUDUR

FULL STACK DEVELOPER

+91-8624870096 snehagudur95@gmail.com [LinkedIn](#) [GitHub](#)

SUMMARY

Entry-level Full Stack Developer with hands-on experience in ASP.NET Core MVC, C#, React, SQL Server, and REST APIs. Skilled in building responsive web applications, database management, and API integration with a strong foundation in problem-solving, debugging, and modern software development practices.

SKILLS

Languages: C#, JavaScript, SQL

Frontend: HTML5, CSS3, Bootstrap, React.js, jQuery, AJAX

Backend: ASP.NET Core MVC, .NET Framework, Node.js, REST APIs

Database: SQL Server, MySQL, Entity Framework Core, LINQ

Tools: Visual Studio, VS Code, Git, GitHub, Postman

Core Skills: MVC, CRUD, OOP, Authentication, OAuth 2.0, JSON, SDLC, Debugging

PROFESSIONAL EXPERIENCE

.NET DEVELOPER INTERN

March 2026 – August 2026

Naik Infotech

Technologies: ASP.NET Core MVC, C#, SQL Server

- Developed and maintained web application modules using ASP.NET Core MVC and C#, following MVC architecture and OOP principles.
- Built responsive user interfaces using HTML5, CSS3, Bootstrap, JavaScript, and jQuery while integrating backend functionalities.
- Implemented CRUD operations, authentication, form validations, and REST API integration using JSON for seamless data exchange.
- Worked with SQL Server, Entity Framework Core, and LINQ to design databases, write optimized queries, and manage application data efficiently.
- Performed testing, debugging, and code optimization to improve application performance, reliability, and maintainability.
- Collaborated with the development team throughout the SDLC using Git, Postman, and Visual Studio to deliver high-quality software solutions.

PROJECTS

Social Media Analytics Platform | ASP.NET Core MVC, C#, SQL Server, REST APIs, OAuth 2.0

- Designed and developed a full-stack social media analytics platform integrating Twitter, Facebook, and Instagram through OAuth 2.0 authentication and REST APIs.
- Built a centralized dashboard to monitor engagement metrics, schedule posts, manage comments, and track social media performance across multiple platforms.
- Implemented secure authentication, CRUD operations, responsive UI, and SQL Server database integration to deliver a scalable and user-friendly application.

AI-Powered Chatbot Assistant | React.js, Node.js, JavaScript, REST APIs

- Developed an interactive AI-powered chatbot using React.js and Node.js to provide real-time conversational assistance with an intuitive user interface.
- Implemented dynamic conversation flow, API integration, state management, and responsive design to enhance user engagement and overall experience.
- Deployed the application on Vercel and Render, ensuring reliable cloud hosting, seamless accessibility, and optimized application performance.

EDUCATION

Bachelor of Engineering (B.E.) – Information Technology

2022 – 2025

Savitribai Phule Pune University

CGPA: 8.11

Higher Secondary Certificate (HSC)

2021 – 2022

Maharashtra State Board

Percentage: 72%

Secondary School Certificate (SSC)

2019 – 2020

Maharashtra State Board

Percentage: 85%

CERTIFICATIONS

Azure Fundamentals — Microsoft

2025

DevOps Fundamentals — Microsoft

2024
